By Order of the Board of Directors

/s/  David L. Renauld

April 3, 2013  David L. Renauld, Secretary
MEETING INFORMATION STATEMENT
ANNUAL MEETING OF STOCKHOLDERS

We are furnishing this meeting information statement to our stockholders in connection with the solicitation by our board of directors of proxies for use at the annual meeting of stockholders to be held on Tuesday, May 14, 2013 at 9:00 a.m. at 1561 Buckeye Drive, Milpitas, CA 95035 and any adjournment thereof. This meeting information statement and accompanying proxy card will first be mailed to all stockholders entitled to vote at the meeting on or about April 3, 2013.

Record Date and Outstanding Shares

The board of directors has fixed the close of business on March 25, 2013 as the record date for determining stockholders entitled to notice of and to vote at the annual meeting. Accordingly, only holders of record of shares of our common stock and our voting preferred stock (our Series A Convertible Preferred Stock) at the close of business on that date will be entitled to notice of and to vote at the annual meeting and any adjournment thereof.

At the close of business on March 25, 2013, 234,618 shares of our common stock were outstanding and eligible to vote at the annual meeting. In addition to those shares, we expect that an additional 470 shares of our common stock will be issued when the final former Terabeam Corporation and Telaxis Communications Corporation stockholders convert their shares of those companies into shares of our common stock. Since those additional shares are committed to enable those conversions, we generally treat those additional shares as outstanding for our internal calculation purposes and also in this document (except when describing the quorum and the number of shares entitled to vote at the annual meeting). We believe this treatment gives a more accurate description of our capitalization. Therefore, including these additional shares, at the close of business on March 25, 2013, 235,088 shares of our common stock are treated as outstanding in this document (except when describing the quorum and the number of shares entitled to vote at the annual meeting).

At the close of business on March 25, 2013, 2,500,000 shares of our Series A Convertible Preferred Stock were outstanding and eligible to vote at the annual meeting.

Also at the close of business on March 25, 2013, 1,250,000 shares of our Series B Non-Convertible Preferred Stock were outstanding. These shares are not eligible to vote at the annual meeting.

Quorum and Votes Required

The holders of shares of our common stock and the holders of shares of our Series A Convertible Preferred Stock generally will vote together as a single class on the matters submitted to Proxim’s stockholders at the annual meeting. Each holder of record of shares of our common stock on the record date is entitled to cast one vote per share, in person or by properly executed proxy, on any matter that may properly come before the annual meeting. Each holder of record of shares of our Series A Convertible Preferred Stock on the record date is entitled to cast 0.1333 votes per share of that preferred stock, in person or by properly executed proxy, on any matter that may properly come before the annual meeting.

Therefore, holders of our common stock in the aggregate are entitled to cast 234,618 votes, and holders of our Series A Convertible Preferred Stock in the aggregate are entitled to cast 333,333 votes, for a total of 567,951 votes entitled to be cast at this annual meeting.
The presence in person or by properly executed proxy of the holders of a majority in voting power of our common stock and Series A Convertible Preferred Stock, treated as a single class, outstanding on the record date is necessary and sufficient to constitute a quorum at the annual meeting. In general, we will treat votes withheld from the nominees for election of directors and any abstentions as present or represented for purposes of determining the existence of a quorum. We will not treat broker non-votes (if any) as present or represented for purposes of determining the existence of a quorum.

Each director will be elected at the annual meeting by a plurality of the votes cast by the stockholders entitled to vote at the election. Votes withheld from the nominees and any broker non-votes will not affect the outcome of the vote on this proposal.

The board of directors believes that the holders of our Series A Convertible Preferred Stock will vote FOR the proposal to elect the director-nominees. Because the holders of our Series A Convertible Preferred Stock collectively own and are expected to vote more than a majority of our stock outstanding on the record date for this annual meeting and entitled to vote on this proposal (as measured by voting power), we expect that the proposal to elect the director-nominees will be approved by our stockholders regardless of how our other stockholders vote. More information about the holders of our Series A Convertible Preferred Stock is contained below under the heading “Material Relationships and Related Party Transactions.”

Proxy Voting and Revocation

All proxies received pursuant to this solicitation will be voted except as to matters where authority to vote is specifically withheld. Where a choice is specified as to a given proposal, the proxies will be voted in accordance with the specification. If no choice is specified, the persons named in the proxies intend to vote FOR the election of the nominees for director.

The board of directors does not know of any matters, other than the matter described in this document, which are expected to be presented for consideration at the annual meeting. If any other matters are properly presented for consideration at the annual meeting, the persons named in the accompanying proxy will have discretion to vote on such matters in accordance with their best judgment.

Stockholders who execute proxies may revoke them at any time before such proxies are voted by filing with our Secretary, at or before the annual meeting, a written notice of revocation bearing a later date than the proxy or by executing and delivering to our Secretary at or before the annual meeting later-dated proxies relating to the same shares. Attending the annual meeting by itself will not have the effect of revoking a proxy unless the stockholder so attending so notifies our Secretary in writing at any time prior to the voting of the proxy (voting by ballot at the annual meeting will revoke any previous proxy). Our Secretary’s name and address are David L. Renauld, 881 North King Street, Suite 100, Northampton, MA 01060.

Solicitations

Proxies are being solicited by and on behalf of our board of directors. We will bear the entire cost of solicitation of proxies. In addition to solicitation by mail, our directors, officers, and regular employees (who will not be specifically engaged or compensated for such services) may solicit proxies by telephone or otherwise. Arrangements will be made with brokerage houses and other custodians, nominees, and fiduciaries to forward proxies and proxy materials to their clients who beneficially own shares of our common stock, and we will reimburse them for their expenses.

PROPOSAL 1
ELECTION OF DIRECTORS

Under our by-laws, the board of directors consists of one or more members, the number of which is determined from time to time by the board. The board has established the current number of directors as six. The
board may increase the size of the board in the future and add directors to fill the newly-created positions. Each of our directors is elected at each annual meeting of stockholders.

We currently have six members on our board of directors. The six current directors are Lee M. Gopadze, J. Michael Gullard, Alan B. Howe, Toru Kashima, Dr. Arogyaswami Paulraj, and David J. Porte.

The board of directors has nominated Lee M. Gopadze, J. Michael Gullard, Alan B. Howe, Toru Kashima, Dr. Arogyaswami Paulraj, and David J. Porte for election as directors of the Company.

These six nominees constitute the only nominees for election. Each of these nominees has agreed to serve as a director if elected at the annual meeting.

It is intended that the persons named on the proxy card as proxies will vote shares of our common stock and voting preferred stock so authorized for the election of each of these six nominees to the board of directors. Proxies may not be voted for more than six nominees. The board of directors expects that each of these nominees will be available for election; but if any of them should become unavailable, it is intended that the proxy would be voted for another nominee who would be designated by the board of directors, unless the number of directors is reduced.

The term of office of each director will continue until the next annual meeting of our stockholders or until his successor has been elected and qualified.

Messrs. Gullard and Howe were originally nominated for election as a director of the Company on the recommendation of Lloyd I. Miller, III, our largest stockholder.

Mr. Kashima is being nominated at the request of SRA OSS Inc., our second largest stockholder. In connection with its August 2009 investment in Proxim, SRA OSS was granted the right to request the Company to nominate one representative of SRA for election to Proxim’s board of directors as part of the board’s slate of nominees for election at annual meetings of Proxim’s stockholders. SRA OSS has requested the Company to nominate Mr. Kashima for election to Proxim’s board of directors, and the Company has done so.

Dr. Paulraj was originally appointed as a director of the Company on the recommendation of SRA OSS Inc. Dr. Paulraj has informed us that he has no affiliation with SRA OSS.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE SIX NOMINEES DESCRIBED ABOVE.

The biographical summaries of the nominees for director of Proxim appear below under the heading “Board of Directors and Executive Officers.”

All of the director compensation in the foregoing table was made in accordance with our policy statement concerning the compensation of directors of Proxim who are not insiders. This policy statement was unanimously adopted by our board of directors on February 9, 2005. This policy statement sets out guidelines for compensation of our board members who are not employees or other insiders of Proxim. - an additional $500 annual retainer for serving as a non-chair member of the Governance and Nominating Committee of the board

No additional compensation is paid for attending board or committee meetings. Directors are also entitled to reimbursement for expenses incurred to attend board and committee meetings held in person or otherwise incurred on our behalf.

The policy statement also contemplates the following equity compensation:

- for each new director elected or appointed to the board, a non-qualified stock option to purchase 500 shares of our common stock that vests in three equal annual installments beginning on the date of grant
- for each incumbent director, a fully vested, non-qualified stock option to purchase 150 shares of our common stock granted immediately following each annual meeting of stockholders, as long as the director has served at least one complete year before the date of the annual meeting and continues to serve as a director after the meeting

The exercise price for all stock options granted pursuant to this policy statement is to be the fair market value of our common stock on the date of grant.
In addition to the compensation described above, the policy statement contemplates that board members may be periodically granted special additional consideration, in cash or non-qualified stock options, in recognition of extraordinary demands, additional committee assignments, or other circumstances deserving of special consideration.

The policy statement may be altered at any time by the board of directors. The policy statement does not constitute a contract, and the terms of the policy statement are not intended to create any binding obligations on us or enforceable rights of any director.

**MATERIAL RELATIONSHIPS AND RELATED PARTY TRANSACTIONS**

*Summary of Relationship with Two Controlling Parties*

The majority of our equity voting power is held by two entities, SRA OSS Inc. and Lloyd I. Miller, III (including his affiliated entities for the discussion in this section). In addition, SRA OSS and Mr. Miller are our secured senior and junior lenders with a security interest in all of our assets. Therefore, SRA OSS and Mr. Miller have significant control over our company.

Mr. Miller is our largest stockholder. Mr. Miller holds no board or management position with our company. Two of our directors, Messrs. Gullard and Howe, were originally nominated for election as a director of the Company on the recommendation of Mr. Miller.

SRA OSS is our second largest stockholder. In connection with its August 2009 equity investment in Proxim, SRA OSS was granted the right to request the Company to nominate one representative of SRA for election to Proxim’s board of directors as part of the board’s slate of nominees for election at annual meetings of Proxim’s stockholders. Mr. Kashima was elected to Proxim’s board as a result of SRA OSS requesting him to be included in the board’s slate of nominees. Mr. Kashima serves as the President, Chief Executive Officer, and Chairman of SRA Inc. and SRA Holdings, Inc., the parent company of SRA OSS Inc., and has no management position with Proxim. In addition, Dr. Paulraj was originally appointed as a director of the Company on the recommendation of SRA OSS. Dr. Paulraj has informed us that he has no affiliation with SRA OSS.

*Equity Ownership of Two Controlling Parties*

SRA OSS and Mr. Miller together controlled approximately 65% of the outstanding “as-converted” stockholder voting power of Proxim as of March 25, 2013. As of that date (the record date for this annual meeting), Proxim had 235,088 shares of common stock outstanding, 2,500,000 shares of Series A Convertible Preferred Stock outstanding, and 1,250,000 shares of Series B Non-Convertible Preferred Stock outstanding. As of that date, Mr. Miller owned 35,538 shares of our common stock; each of SRA OSS and Mr. Miller owned 1,250,000 shares of our Series A preferred stock; and SRA OSS owned all of our Series B preferred stock. As described in this document, the holders of the common stock and the holders of the Series A preferred stock generally vote together as a single class on items presented for a stockholder vote (with the holders of Series A stock having 0.1333 votes for each share of Series A stock for a total of approximately 333,333 votes). The holders of the Series B preferred stock generally do not have rights to vote on matters submitted to our stockholders. As a result, on an “as converted” basis, as of March 25, 2013, there were approximately 568,421 votes that may be cast on items presented for a stockholder vote, of which Mr. Miller controls approximately 36% and SRA OSS controls approximately 29%. Therefore, Mr. Miller and SRA OSS together currently can determine the outcome of most items submitted to the stockholders for approval regardless of how any other stockholder acts.

SRA OSS and Mr. Miller purchased the Series A and Series B preferred stock from Proxim in a private placement that occurred in August 2009, the terms of which have previously been summarized in Proxim’s publicly-available materials. In March 2012, the terms of the Series A and Series B preferred stock were amended to extend the date after which the holders of that preferred stock and the company may request redemption of that stock from August 2012 to January 1, 2016.
As of March 25, 2013, SRA OSS and Mr. Miller also had the ability to purchase 535,626 additional shares of Proxim common stock through the exercise of warrants that have been granted to them. Additional details about these warrants as of that date are described in the table below. These warrants were issued to SRA OSS and Mr. Miller in connection with those entities lending money to Proxim.

**Loans by Two Controlling Parties to Proxim**

Our two largest stockholders SRA OSS and Mr. Miller also are our secured senior and junior lenders with a security interest in all of our assets.

**Subordinated Loan Facility**

In July 2008, Proxim borrowed $3.0 million from Mr. Miller, as previously described in Proxim’s publicly-available materials. These amounts are secured by a security interest in Proxim’s assets and have been subordinated to the amounts outstanding under Proxim’s senior loan facility described below. In March 2012, the maturity of this subordinated loan was extended to January 1, 2016. As of February 28, 2013, the outstanding principal amount (including capitalized interest) under this subordinated loan facility was $4,294,291.

**Senior Loan Facility**

In January 2011, Proxim entered into a senior loan facility with SRA OSS and Mr. Miller, as previously described in Proxim’s publicly-available materials. Under this senior loan facility, Proxim has borrowed an aggregate principal amount of $12.5 million. These amounts are secured by a security interest in Proxim’s assets. The maturity date of amounts outstanding under this facility is January 4, 2014. As of February 28, 2013, the outstanding principal amount (including capitalized interest) under this senior loan facility was $15,057,901.

**Related Party Transaction Consideration**

We do not have a written policy specifically addressing approval of related party transactions. Our Statement of Business Conduct and Code of Ethics contains provisions specifically addressing actual or apparent conflicts of interest that could affect the duty of loyalty we believe all of our directors, officers, and employees owe the Company. Under that policy, all actual and reasonably apparent conflicts of interest must be promptly disclosed and terminated unless approved. Such approvals must be made by (i) our Chief Executive Officer in the case of a Company employee, (ii) the Chairperson of our Audit Committee in the case of a Company officer, or (iii) the non-interested members of our board of directors in the case of a director. In general, under its written charter, our Audit Committee is responsible for monitoring compliance with this policy.
SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND OUR DIRECTORS AND MANAGEMENT

The following table provides information regarding the beneficial ownership of our outstanding voting capital stock as of March 25, 2013 (unless otherwise noted) by:

- each person or group that we know owns more than 5% of any class of our voting capital stock,
- each of our current directors,
- each of our current executive officers, and
- all of our current directors and executive officers as a group.

Beneficial ownership is determined under rules of the Securities and Exchange Commission and includes shares over which the beneficial owner exercises voting or investment power. The percentage beneficially owned by each person is based upon 568,421 shares, which is the sum of the 235,088 shares of our common stock outstanding on March 25, 2013 plus the 333,333 shares of our common stock into which the outstanding shares of our Series A Convertible Preferred Stock are convertible. Shares of common stock that we may issue upon the exercise of options or warrants currently exercisable or exercisable within 60 days of March 25, 2013 are deemed outstanding for computing the percentage ownership of the person holding the options or warrants but are not deemed outstanding for computing the percentage ownership of any other person. Except as otherwise indicated, we believe the beneficial owners of the common stock listed below, based on information furnished by them, have sole voting and investment power over the number of shares listed opposite their names.
